APEC FMP’s Contribution to MYPIDI and Connectivity Blueprint

Lu Xia
Deputy Director
International Department
Ministry of Finance, China

APEC FMP’s Scope and Mandate on Infrastructure Agenda

- FMP focuses on infrastructure financing and investment
- APEC host Indonesia proposed MYPIDI, pilot PPP center and PPP Experts Advisory Panel in 2013
- Work streams 3&4 in MYPIDI are most relevant
Four Thematic Topics of 2014 APEC FMM

- Current economic situation and outlook in the region
- **Cooperation on infrastructure investment and financing**
- Fiscal and taxation policies and reform for economic restructuring
- Improving financial services for regional real economy

PPP Panel

- Objective (short term vs. long term)
- Role
- Composition/Membership
- Structure (Co-Chairs, Secretariat)
- Work Design

Two Seminars are Planned on Infrastructure PPP

- Public Sector’s Role in PPP Modality in Fuzhou in May
  - Improving efficiency of infrastructure provision;
  - Improving legal and regulatory environment;
  - Appropriate risk allocation;
  - Strengthening PPP delivery capability;
  - Attracting private long-term finance;
  - APEC’s role in strengthening PPP readiness.
Two Seminars are Planned on Infrastructure PPP

- Mobilizing Long-term and Stable Financing into Infrastructure Development in Dalian in June
  - Features of risk and return of infrastructure investment;
  - Challenges of regional infrastructure investment;
  - Enhancing governments’ capacity in infrastructure development;
  - Cultivating financial market to promote infrastructure development;
  - APEC’s role in creating favorable conditions for infrastructure development.

Preliminary Thoughts on Deliverables on infrastructure for 2014 APEC FMM

- Showcase successful PPP projects in infrastructure
- Strengthen capacity building of existing PPP Centers, promote networking among PPP Centers and encourage to set up new PPP centers
- Efforts are in align with China’s domestic reform agenda
Thank you!
